Art, I hope you are resting peacefully. I will always remember the great times my family and I shared with you. You were always like a Grandfather to me and my brothers and sister. The great times will always be remembered, from picking oranges in the side and back yards. Eating walnuts from the bowl in the kitchen while you shared your many memories of your time during service. Playing or fishing on the dock out back. Watching Dad and Uncle Steve change the prop on the boat. I have so many great memories to share. I love you and will miss you! Hoorah!!! Matthew Purpura
