Our deepest sympathy to you on the loss of your father. We had many occasions to share company with him and our good friend, Pat Parker. We're glad that Pat helped make his later years happy. We met some of your family at some of the parties for him and gatherings (for cards and games) at her house. He was a good person and I am sure a good father and I am sure he will be greatly missed. Sincerely, Herb and Kay Reitzel

Darrell, I had the pleasure of meeting you about a month ago as you replaced my springs in Cape coral...a Hansen Home. I am the a/c guy that sat in the garage and watched you. I'm sorry for your loss and extend my sincere condolences to all of the North family. Your dad built a business where quality and honesty seemed paramount. I never had the opportunity to meet your dad, just you. Again, my heartfelt condolences to all of you. Be well and God Bless all of you. Robert N Zemanski
