I wish we would have stayed in touch more often. the short time that i knew you was not enough time to say what a bright young star you were but now you will shine bright in the sky for all to see. Watch over your mother and let her know that you are in a better place with GOD. R.I.P

Lorenzo, it really broke my heart to hear that you were in the hospital clinging to life and later that the miracle we were all hoping for did not come to us. Then I learned of the lives you may have saved from sharing the gift of organ donation and realized what an important role you were to play in this lifetime. You were chosen! To fulfill a bigger purpose. Because of this, you are now an Angel of God and a Guardian Angel to your mom and loved ones. I know that you will continue to shine in heaven as you did here on earth. Rest in Paradise....In Jesus' name.

Lorenzo, I didn't have the pleasure to know what a wonderful boy you were. I only knew you as a newborn. I do know that you were so very loved by all that knew you. My heart aches for all your family. It isn't fair that you were taken too soon! Your mother now has another guardian angel to watch over her. I ask that you hold her heart and help her be at peace. I promise that I will continue to pray for you and all your family. May you fly with the angels and rest in peace!
