Gigi & Family, I was so saddened to hear of Amber's passing. I was her manager for a while when she worked at Aston Gardens in Naples. Amber was a very caring person and had a contagious smile. She was always so compassionate and patient with the residents. My heart breaks for a life cut so short, but know that she is remembered fondly by many. Your family is in my thoughts and prayers during this difficult time. God Bless.

To Amber's family – My sincere condolences go out to each of you. Take comfort in knowing that God has another angel in his presence. Amber was a lovely young lady who I enjoyed spending time with. Her passion for everything in the fashion world was expressed in her wonderful ability to create beautiful hair and makeup design. I will miss her terribly. Until we meet again my dear friend – you will always be in my heart and forever in my memories. Love, Joe

Amber. I'm grateful that we met and shared our deepest thoughts. We both decided that we were "old souls" that day and while it was just a short time of knowing you we connected immediately. I will hold you in my heart forever. The winds that sometimes take something we love, are the same that bring us something we learn to love. Therefore we should not cry about something that was taken from us, but, yes, love what we have been given. Because what is really ours is never gone forever. Bob Marley
