Jimmy and Dan, Your mom was a delightful person. We had her insurance for a while on her home and she would come in the office and we would talk about politics and how it affected her retirement, etc. Sharp as a tack. And she loved to talk about her boys. You are so blessed to have had your mom for so many years. Donna Gaylor

I met Marvel at NARFE meetings. She was the chapter's chaplain and presided over our chapter's prayer. What a wonderful woman she was! I admired her faith in God and her devotion to Jesus. I know her family and all her friends grieve for her and will miss her. I am glad I met this wonderful lady. I will miss her.
