My true condolences to everyone in the VonBerg family. I can't put into words the great times growing up around both Jason and Joshua or what your family has gone through these past few weeks. Please let me know if there is anything at all that I can do and I hope to see you soon. He will be missed very much but never forgotten.

What I am feeling right now is so hard to put into words. Deb, Larry, Jason and the VonBerg family you are in my thoughts & prayers. Josh was one of my best friends, I was proud to call him my friend. I never would have thought that 2 different people could have become so close. I cared for him and loved him unconditionally, always! He was a part of my family, not only by me but by my children as well. My heart is very heavy right now and he will be forever missed. I am so sorry for your loss. >
