Ray, I'm honored to have known and worked with you. You are a part of our Honda family and I can feel the difference of you not there anymore. You were always funny and sometimes a pain in the rear, but that's what makes you...Ray. I know you are smiling down on us and I know God has bigger plans for you up there. It must have been important because he needed you more in Heaven than down here on Earth. Until we meet again, my friend.
