Dear Family, of Suzie, Mrs, Fitzhugh... I am the daughter of Margaret and Cutty Woods from Cobourg, Ontario. I can't begin to tell you of all the good times we had with your Mother. We have pictures of her and our family building snowmen in the backyard at Northumberland Hall. She seemed to enjoy our company as much as we did her. We have fond memories of attending auction sales with her and trying to outbid others, then going home with cargo none of us wanted or needed. Suzie's name has come up often and we have tried to find her on trips to Florida. We sure are feeling a great loss. My family lived at Northumberland Hall for several years while Daintry and Suzie went south. I would love to get a note from you as to your Mothers last years. Sincerely Helen Braine nee Woods.

We have many fond memories of Hazel. Marg and Cutty Woods looked after Northumberland Hall for Daintry and Hazel in the 1960's and they were Reg's parents. We had many fun times together and she attended our wedding and sent us beautiful roses when our first child was born. She was very generous. We visited her in Captiva a few times and Sara worked and knew Bruce Eagleson, also a friend of Hazel's from Cobourg. We send our sincere sympathy to your family. She had a long life and she will be remembered fondly by the Woods family. Reg and Sara Woods
