I knew it was coming yet I am still in shock. Telling Devin was probably the worst thing I have ever had to do. I look at him daily and see you. The suffering for you is over. The rest of us now have to live with the loss. Rest in Peace Dennis. You'll always occupy a piece of my heart.

Dennis we all love and miss you. You're in a better place now. Rest in peace uncle Dennis! I know I haven't seen you in some years, and haven't talked to you much either. It was nice to finally be able to talk to you over the phone. I remember our last conversation, we talked about church because it was Sunday. It was a nice conversation. Thinking of this reminds me that you are with God now. Where He will take good care of you. Tell Grammy, Jenney, Nathan, and my father if you see him, that I love them all very much! I love you Dennis, rest in peace! Our hearts are always with you.

For you Dennis, my sweet, fun loving cousin. Though I haven't seen you in some time, I was glad you hit me on facebook, it was so good to hear from you. You are now at peace, and pain free for ever. God will cradle you in his arms keeping you safe for eternity. I was looking at your picture on fb and started getting misty eyed but remembered a promise I made to Diana... To ALWAYS smile when I think of you, and that is something I will do. Love you Dennis !!!!! you'll always be remembered

It's hard to believe it's been so long. This just popped up in my memories . I hope that girl that tortured you in the end of your life meets karma soon. I am so sorry you had to suffer at her hands, and for the pain that your life held for you. I know that you loved hard. And you looked for Love Hard, and no matter how much you found it, it wasn't what you were looking for .you have beautiful children and you left behind a family that loved you very much. People that understood you even in the craziest times, the lives that you touched very deeply understood who you were... This the 14th anniversary of your day. It's still so hard to believe it's even been that long. To me sometimes it's still 1993. Know that you are loved still to this day. By those lives that you touched. We lived hard, dreamed of great things,suffered loss together... found peace.. Thank you for all of it... wherever you are. and I know someday we'll meet again under a different sun. Until then, suffer no more. My friend, my love.. till that time comes back..My past.
