Ed, Eddie & Family: It is hard to express in words the emotions you feel when you hear of the passing of a good friend. Joanne was certainly that to me. I was there when Joanne first walked into the door of a FDLE Office in the late 80's. I interviewed her, recommended her for employment with FDLE and was her first supervisor. There was only a handful of us in the office at that time so we got to know each other real well. Ever since then, until my retirement, Joanne was always there to help bail me out of those administrative issues when I messed up, sometimes on a regular basis! When I hear the term "FDLE Family" it would certainly include FDLE members like Joanne and I who saw a lot of changes together, but through it all remained good friends! Ed and Eddie I can't tell you how saddened I was to hear the news. My thoughts and prayers are with you guys and the rest of the family!

Ed and Eddie, I am so sorry to hear about Joanne. I know she will be missed by all that she touched throughout her life. She was such a great friend to Joan and it was very clear that Josh was always in the greatest care when he spent time with your family as Joanne (and each of you) treated him like one of your own. I did not know Joanne well but please know that she made an impression on me and she will not be forgotten. My condolences to both of you at this incredibly sad time. You will be in my thoughts.

Ed, and Eddie We are so very sorry for your loss. Joanne was a wonderful person, she went out of her way to always help out. She always said yes whenever we ever needed her to help or just to watch Josh. I loved that we had all the years at soccer, and she always saved me a seat, because she always got there earlier than me ! Joanne thanks for all you did for us, we are forever grateful. We are so sad for your loss, You are all in our thoughts and prayers Joan, Joe, and Josh
