There are not enough words to express how sad I am to hear of Janine's untimely passing. We worked together in Florida- it was always so fun and cheerful when she was around. Everyone loved her and loved being with her. She was a true and loyal friend- she helped me thru some difficult times. We were to see each other in 3 weeks- so devastated to not have the chance to see her and that beautiful smile one more time- I will never, ever forget you, Janine. My condolences and prayers to her family. In the Greek tradition- " May her memory be eternal"

Sending our thoughts and prayers to Jerod and his family. We had the pleasure of knowing her through her son Jerod. Although it has been years since we have seen her, Janine was always a pleasure to be around. Remembering back she was a spunky little gal, and a proud mother, who also treated our daughter as if she was one her own. Our deepest sympathy on your terrible loss. Janine, my Best Buddy through the last 3 decades... You have been my confidante, my "2am friend" through ALL of the joys and sorrows we have both endured in our adult lives... I have shared more tears and laughs with you than anyone.. You always had just the right words for the moment... And the SMILE.. God how I'll miss that... I am feeling such an incredible loss, reality is fleeting... and elusive to me at this time... But I know your ANGELIC SPIRIT lives on in the hearts of those you touched, and I am comforted knowing you are truly IN THE ARMS OF THE ANGELS. Till we meet again... I LOVE YOU, BUDDY !!

Janine was so full of life and laughter that it is hard to imagine life without her. Although distance and circumstances allowed us only occasional visits in the last years, we had a wonderful bond as cousins that deepened when we were young mothers. Her death is such a loss not only to her immediate family but to her extended family as well. I have been in contact this weekend with my family and please know that we all loved Janine so much and send our condolences and prayers to her dear family. God bless you all.

My heart goes out to all her children, grandchildren, family & friends at this tragic loss of such a Unique and Loving Woman. I hope that you will all be able to draw upon her strength and memories to get you through this most difficult journey. Janine and I met shortly after the death of Glenn, the Love of her Life! (I know he was waiting to greet her with open arms, along with her parents ?? We became the best of friends, shared our joys, sorrows, heartaches and everything in-between. We ALWAYS had a great time no matter where we went, who we were with or what we did and it was because of Janine's infectious SMILE, Laughter and Attitude of Living Life to the Fullest! To say I admired her is truly not be enough, she had to be the Coolest, Hippest Mother and Grandma around! My parents, Anna & Ed Hamady, even adopted her as their own Little Irish Daughter, we used to joke about it all the time! As in all relationships, we had our ups and downs, but in the end we still respected and loved one another. I am just so happy and thankful that the last conversation we had, I was able to tell her how much she means to me and how I loved her like one of my own Sisters. She was Family to me in every sense of the word. We are both very Spiritual and I know with all my heart & soul she is with me now and forever. See you at the Beach Janine! I love you, Hugs Jeannie
