I believe Ken was my boss for a time at GTE Information Systems as best I recall the name. I recall when he invited me to go flying at a small Burlington county airport in NJ, which we did. Ken's name just popped into my head, so I google'd and found this. My condolences to someone I felt kindly about. Sincerely , Noel Klint

Uncle Kenny, you were my father's only brother as we all grew up in Delanco you were always the one who was responsible for making sure we all knew how to swim. As I swam this evening in my neighbors pool I said a prayer for you to rest in peace! My Love your neice Barbara
