Have wondered where Irene and you were living now. Sorry for your loss. I babysat for Ron and Renee when I was in high school. Irene taught me how to make German origami stars and I make them every year. Before I went in service I gave Renee my doll collection that Irene enjoyed collecting for her.

Howard I am so sorry to find out about Irene's passing. I was a driver from Goodwheels who transported Irene to and from Hope Select in Fort Myers. I loved being around Irene. Nothing could stop Irene from doing what she wanted to do. Often she would push her walker aside because it slowed her down. I even enjoyed carrying her bag even if it clashed with my goodwheels uniform. Thank you for inviting me in your home frequently and sharing some of your joy of the unusual plants around your home. Please share ny sympathies with your family. Irene was a true gem. Irene will be missed but not forgotten. God bless you. Phil Reising
