Aunt Debbie was a great and amazing person to know. I always remember her being happy and easy going, loved life and the people around her. She used to watch me while my mom worked and I loved being with Matt, Marky and or course Shan. I love you Aunt Debbie. You will always be in my heart. Amber and Family.

To my beautiful sister Debbie, I will always remember the good times we had, the dancing to Phil Collins together. I know that you were the greatest mom ever to Matt, Marc, and Shannon. There was always a smile on your face no matter what we all were going through and how you always kept the family together..... I will always cherish you in all of my days, I will always keep that promise to you that I will take care of mom for you. I know that you aren't in any pain anymore and that God made you whole now and your at peace. You were the best sister anyone could ask for and I'm going to miss you a bunch..... R.I.P. beautiful sister.....I LOVE YOU!!!!!!!!!!!!!!!!!!!!

Aunt Debbie put a smile on everyone's face. She was and still is the best aunt any one could ever have. She was always there for me whether I needed someone to vent to or if I ever needed a shoulder to cry on. She gave me hope, always told me how proud she was of me, and taught me wrong from right. I love you with all my heart aunt Debbie. I know you will watch over me and guide me in the right direction. When I think of beauty I think of you When I think of love I think of you No one will understand the things you did but always know that we love you When I'm down I'll think of you because you were always there to turn my frown upside down. No matter what life puts me through I'll live life knowing who was always there and who truly cared. you. I'll never forget the life we spent Being your niece was the best thing God could grant On 5.25.11 we said goodbye and I'll love you forever until the day I die. I love you forever and always aunt Deb-do. Love always- ReRe.

To the family of Debbie, may you know that I will keep you covered in prayer as you walk through this painful time. I didn't know Debbie well but I know the family and you are all so loving. Debbie is at peace in the arms of Jesus and she is forever in each of your hearts. Prayer is the only thing I know to do for you all. May you feel more peace as each day passes. I am so sorry for the loss of your Wife, daughter, mother, sister, aunt, and friend.
