We would laugh, play, talk and have soo much fun. Those are the moments that I will forever hold deep in my heart. God has added another angel to his utopia. You will truly be missed by me and all of our family. Love you Aunty Doreen forever and always.

Words can not express the amount of gratitude that I have for even having the opportunity to have met you in your time here in the physical. I was blessed with the chance to know and love you like a second mom. And you have blessed me with an extended family and a best friend. One of my many fondest memories include-I remember you not recognizing me on the bus when I allowed Recarah to experiment with my weave -"MISA" (in my best st croix accent) you told me not to ever let her do that to me again (lol). Yes you made that tragedy of a hairdo copeable and humorous by your honesty. You did not sugar coat anything (what you were thinking came out) and I respected you to the fullest for that. And, lets reflect on the great food that you prepared(at times I did not even know what it was, but it was soooo good). You kept me fed and everybody knows how I love to eat and you topped the food off with love love and more love(you put your all in everything you did it was unconditional) You accepted this Americanized version of Recarah with open arms and I will forever love you for that. My family and I extend our fondest and greatest condolences. You will be missed but never forgotten. You will live on forever in our hearts. Until we have our meeting in the sky, I love you mom.

Love is $\hat{A}^{\hat{A}}\hat{A}^{\hat{A}}\hat{A}^{\hat{A}}\hat{A}^{\hat{A}}\hat{A}^{\hat{A}}$ These are just a few of the attributes that my friend Doreen Daniel exuded to me and every other person she came into contact with. You took apart of me with you that I will never get back. You were really my bestfriend, no one could ever take your place. I will see you in heaven and dont forget to come see me sometime; I could use a friend.
