Dear Sandy & family..... Ken & I are so very sorry to hear about Bobby's passing. Had we known, we could have paid our respects to him here in Fort Myers. My favorite memories of Bobby were dancing at the Lake dances (he was the best dancer in Hoosick Falls),and partying at Babcock Lake. RIP Bob

I just wanted to take a moment to say how sorry I am about the loss of Bob. My mom and mother in law both worked with him. I can remember many stories that were told and good times that were shared. It is a sad day and he will be missed by many.

Dear Don, Your friends here at Child's are with you in your time of sorrow. We are remembering the good times we shared with Bob and you when we worked so closely together. His parts in the annual shows for the residents, his cooking (especially that Hawaiian Wedding Cake), the annual Christmas Party and Picnic are all things we remember fondly. Although we cannot be there, we are with you in spirit. Please let us know when you will be coming to NY so we can get together. Love, Marie and Inell

To Don, Sandy, Sue, Billy and Peter. My love and sympathy to you all as you suffer the loss of Bobby. He was well loved, and he knew it – but he had even more to share with you all. What wonderful memories you have to hold onto during your most difficult days. His suffering is over and thankfully Sue and Sandy were there to be with him and Don when they needed you the most. I'm sorry we can't be there for you in person, but our love and hugs surround you all in the next few days – I'll see you when you come back home. Thinking of you all. Paige
