I had a dream about Mark a few days before he passed. He was in a church teaching about "Life". He was calm, gentle, and spoke with confidence. Everyone in the room listened to what he had to say, it was like they were hanging on to every word. In the front row of the church was Aunt Laura, my mother, and Aunt Dana. He walked up to my Aunt Laura, stroked her cheek with a gentle hand and smiled. He did not say how much he loved her but you could see it in his loving smile. He walked through the church patting people on the shoulder while he talked about the things he learned on his life journey. Mark was a very special man. I remember his smile so well. He had such a love for life and the people in it. I wish I would have told him thank you for bring such joy into my Aunt Laura's life. There are so many words to describe Mark. I will miss him and look forward to seeing him in Heaven with our Father! The Lord knew what He was doing when He put Mark on this earth.

Anyone who truly knew Mark, loved him and was always laughing with him when you were around him. He certainly had a way with words. So if there is a message to be taken from this for me it would be "Live, Laugh and Love" everyday. Tomorrow is not promised to anyone. Just eternity after if we are lucky. It was an honor to be able to spend the last 2 weeks here with him, I thank God for that.

I realize how lucky I am to have had you as my friend for more than half of my life. I will never forget how much fun we had working together, sometimes laughing so hard we cried, or the long talks we had. I will carry the memories of our friendship in my heart forever. I'll miss you Marky Mark but I know you are in a better place now and we will see each other again.
