I had the special honor to work with Jim at Chicago Title Insurance Company. Jim had a great sense of humor and he took great pride in the way he worked with his peers and co-workers. May the Lord comfort his family and extended family at this time of sorrow. Good Bless his wife and two children and may He carry you in the palm of His hand.

I worked with Jim for 8 years at Chicago Title. He was a wonderful story teller, and had a great sense of humor. And could always find something to laugh at – even at his own expense. I can even see him rolling his coin between his fingers as he talked. And a devoted father to David. May the Lord comfort all his family.
