I love you so much. I really wish Maverick had you in his life. I miss your advice with being upfront, blunt and honest to any problem. I know you would've been good to Maverick. I hope your Maverick's guardian angel. I know you would want justice for your death since I know in life you disliked bad drivers. I hope your spirit finds that justice you need to rest in peace. I miss you and I hope your flying in heaven with your hard earned wings. Love and miss you always. Love your sister always, Christine

Darlene, As you know I talk to you all the time. You are a very loved and missed young woman. There is no doubt in our minds that you would have become the pilot and person you wanted to be. You may not have been on earth that long but you made quite an impression on many of us. You know that we would have been with you on your birthday and celebrated with DQ cake. So sorry we didn't get to do that baby. Everyone is sooo proud of your accomplishments! You will always be that angel and shining star to your family Darlene, always. And yes, I will keep after your parents, especially your mom, to get out and have some fun. I promise. We think a lot of you Darlene now and always. Rest in loving peace. Love, Terri and Ralph Boldyga

We met Darlene when she was working at Dunkin Donuts in Red Lion. We became good friends. We had a common interest in riding motorcycles, so we went for a couple of rides together. We stayed in touch when she went down to FL to aviator school. She was a sweet young lady and will be missed very much. We can't believe she is gone. It was a huge shock when we saw the news on her facebook page. We sent a monetary gift to her cell phone to help with the funeral expenses. I hope you will receive that with no problems. Let us know please if you can't retrieve that please. May Darlene R.I.P.
