**Heather Watson** lit a candle in honor of Patricia.

We didn't know Patricia personally but we called her every few weeks when the county had delays approving our payments for accounting to process and she always returned our calls immediately and was very kind and understanding the struggle and would gladly fix the mess. We appreciated her kindness and knew something was wrong when she hadn't returned our recent calls. I pray the family finds the strength to remember all the loving memories you must have shared through this difficult time.

Dear Alan & Family, So very, very sorry to learn of Pat's passing. She will always be a bright light in my memories – she helped me get through my second breast cancer chemo sessions – drove me in her beautiful car (with the top down when we could) & sat with me during the chemo. She was such a good friend & gave me encouragement during that time. I will cherish all my wonderful memories of our times together doing ceramics, etc. My thoughts & prayers are with you all during this time. God Bless you all, Marilyn Mertz
