Mary was the best babysitter and dog sitter too. Louis and Caroline loved to watch movies with Mary when we went out, and Maddie always wanted to say hello to Mary too. She loved when Mary fed her spaghetti. We will miss her smile, hats, personality, stories, and her dancing. Rest in peace always.

With our deepest, deepest,deepest sympathy on the loss of your mother.... It's hard to know just what to say at this sad time because your loss is so great, and because your mother will be missed in so many ways. But even though no words can truly comfort you, perhaps they can, in some small way, express the depth of care and concern that's felt for you now. Linda and Willie, for the first time in my life I truly wish I was rich so I could take off from work and come be with you at the service tomorrow...please know that my heart and spirit will be there....I will be thinking of you both a lot and will continue to call and check-in. Cheers to you mom who lived a full life!

Dear Linda and Willie, Frank shared your sad news with us. Both of us remember your Mom well, her love for a good party, laugh, and song. And your parties were always among the best! Reading Mary's obituary, we realized she was born just 3 days before Patti's Mom in 1913. Mabs, (Patti's Mother), left us eight years ago. You have been very blessed to have Mary as long as you have had her no matter how she deteriorated with Alzheimers. Celebrate her life, and the life you both will have together from now on. With regrets, Patti and Dave.

Linda and Willie: I truly wish I could be there next week for the ceremony, to share the time with you all, as you honor Mary. I only met her a few times in Sea Isle but I remember clearly her spirit and humour, and all her stories about living in NY !! My thoughts are with you both at this difficult time. Take care.
