I met Delores, about about 30 years ago after my Mom and Dad moved to Florida. She has always been very special to me, my husband George, and my three daughters. When they were little they use to refer to her as the special white haired lady that lived by grandma and grandpa. Every time I was in Florida Delores and Len always had us over for dinner and to play cards. We had so much fun with them, and made wonderful memories. When Len passed away a big part of Delores went with him. After Delore had her stroke, I still continued to visit her in the nursing home, I don't know if she always remembered who I was, but the smile on her face and big hug was all I needed. I will miss her so much, but I am also so Happy that she is back with her beloved Len, her wonderful parents, and my Mom and Dad! I Love you Delores, and I know that you are finally at Peace. God Bless you always, Kathy and George
