Oh Di, I have been thinking of you and how you would be fileeng with Jade's anniversary. I have now just read your tribute and am sobbing at your loss of such a sweet beautiful girl. Time does help heal but sometimes it is know how long that time will be before you ever feel able to mention her name without the tears being at the back of your words. I still cant quite talk about Max and he has been gone 15months now. There will only be one Jade BUT at least you can see some of her special qualities in her grand-daughter, which I know is of some help to you. Thinking of you and much loveHeidi

I remember Adelle as "Gramdma Dell" growing up with the Clark family and have so many great childhood memories with her. Summer time sleepovers at Grandma Dell's with Jillian and Jessica and the all day visits to the pool! The best memory was serving tables at the Alley Cat Cafe!! She was such a kind hearted woman that will forever be in my heart. To the entire family you all are in my thoughts and prayers... Love, Jackie Cabai
