Eva, April, Babe, Jane, Cindy: May my prayers be with you as you say your final goodbyes. I hope you relive all the good times and remember every funny story. I believe that is what Joe would want. And remember to be good to each other because if he could Joe would also say that life is too short and you can't take anything back. I wish I could be there with you, but things couldn't be worked out. So take care and know that at this very moment I am thinking of you all with love.
