Dearest Little one I miss you so much. I miss that little nose and the space between your nose and your hairline. The way you blew me kisses and smiled at me just because I smiled at you. I miss holding you and watching you for daddy when he needed a break, what I would give for another day to hold you and make you feel better. I love you and will always carry your memory with me. Grandpa misses you so much too. You were his little buddy and now he doesn't have anyone to play with. Love and kisses forever, Grandma and Grandpa Minard

Charlie you will be sorely missed, but I believe in my heart that you are walking hand in hand with Jesus and playing with your Grandpa Minard. You are home..... Chuck, Elsie, Chas, Jordan, our prayers are with all of you through this hard time. Remember you have family and friends who are here for you if you need us. I love you all.
