Cort, you were always in search of humor and smiles...(I hope they have Comedy Central in heaven) and making others laugh. I enjoyed the time we were able to spend together, though it was not nearly enough. I am sure that you are entertaining the angels with stories about Dave Chapelle and Lewis Black. Is it okay to curse up there? I understand some of the pain you felt and hope that your soul smiles today. God bless you Cort.

There are not enough words to describe the bittersweet emotions right now...Sadness at our loss, yet a warmth within that you are finally at peace. May God wrap His arms around you and rock you gently home.

Oh my friend, I miss you. I miss you so much! You were an amazing friend to me always – the kind that never leaves your heart no matter what. Though I shed tears today – you, and the memories that we all shared will forever make me smile. Thank you for being my friend! Save me a seat up there, buddy. I like the front row! I love you!
