It is with great sorrow to see Mrs. Lapi pass on. I first met the Lapi Family when I met their son Tony Lapi in 7th Grade in Rochester. Mrs. Lapi and the Lapi Family became my second home. She constantly had all the kids at her home and fed us those great hamburgers. Her door was always open and after golfing, Tony and I would ride our bikes with our golf clubs over our shoulders from Durand to Beach Ave and she would ask, staying for dinner John? I would. My parents would pick me up at 8 o'clock. Mrs. Lapi even had the entire Lacross team over for dinner after Manlius Military Academy played Irondequoit for a steak dinner...all 30 of us. What a Lady. We ate her out of House and Home that night, recalling that night forever. The summers when I grew up at the Lapi's home on Lake Ontario boating, g golfing, helping build the patio, swimming pool and the boat house are fond memories and happy times. Needless to say she had 5 great children and instilled them to be successful and respectful of others. Open minded, always cheerful and laughing with us is what I will always remember of this fine and elegant woman the mother of my best friend . She will be missed.
