Billy, You were one of a kind – Your heart and soul unmatched by anyone. Your genuine nature to care for and to give to others made you vulnerable to the less pure at heart – for that I am truly sorry. Those who love you dearly are relieved you no longer suffer from what ailed you and that you are finally free. No doubt the heavenly father has made a place for you in his kingdom next to your beautiful mother from whom you learned how to give and love. Until we meet again our hearts will have an empty place that you alone filled. May GOD BLESS YOU!
