Remembering my Dad! Dad you will be sorely missed! Wishing we had more time together as Daughter/Dad. So glad we were able to bond again!! I will always remember your gentleness and wonderful smile. I will never stop loving you and the memory and the good and bad times will always be a part of me. I enjoyed my visits to see you, and even to sit in your lap; but most of all being there in your final days to be part of your care giving! So until that "Great Getting up Morning":bye Daddy. Love, Althea
