I'm so sorry to hear of Darlene's passing. My mother lives at Aravilla and that's where I had the privilege of knowing Darlene. Cheree told me about her amazing background and many accomplishments. My condolences, Laura Peters.

Peggi Deehr lit a candle in honor of Darlene.

I'm sorry that I'm late signing the guest book, but losing Darlene is so huge, sad, bewildering, and downright unfair that the mere words I have offered, so far to console her family seem trite. I pray for some strength, comfort, & peace for her family and friends.
