Dear Janet, Janice, and Carol and your whole family...Hank and Mary have been two of our favorite Sandarac friends for twenty years. Now they are blessed to be together forever. We miss them. Your Dad and Mom were two of the most gentle and kind people we have known. And it was a blessing to know them for so many years. Your Dad always said to the two of us " now you two take care of each other". Being a civil engineer your Dad always liked to critique the road crews "so many workers doing so little taking so long!" He took special care of your mom making sure they got a walk outside every day. The walks got shorter and slower as time passed, but always a walk. Your mom was so kind. She loved Berni's silver Adidas shoes, just like ones she had once!! And she was fearless. She and your Dad stayed on the beach through one of the hurricanes and she loved it! "The trees just flew by". We pray God's blessing on them and on all of you. Berni and Dick Kabele Sandarac 106
