My grandma was the most amazing women she was the reason it all began , Because of her I would never had 10 uncles & aunt , 24 cousins , 17 great cousins . 4 gorgeous babies myself if it wasn't for my grandma having my father him being 1 out of 11 kids . She was our rock , strength. She was one out spoken person . She would tell it how it was , even if it was harsh or in good spirits . I'm so glad our family had the chance to have her as our mom, grandma, great grandma , sister She means the world to all of us . We will miss you dearly but you will never be forgotten . I'm thankful you were able to meet all of your great grandkids and your at peace ❤️ love you so much we will see you again it's never a goodbye . fly high with the angels and be our garden angel 🌸

I know that the Lord has you in that mansion in the sky and I know you have reunited with Dad and you both are watching down on us and please watch over us until we meet again and have that reunion with the Lord 's Supper and sit with him in that most beautiful mansion in the sky.
