Dear Family,I never had the opportunity to meet Michael in person, but I did speak with him many times over the phone. Several times he did work for me. I always appreciated his honesty and punctuality. I had a lot of respect for him and told him so. Michael and his crew took care of our mangroves for many years and when they came he and I would sit in the shade under the arbor and solve the problems of this world. He was such a fine man with a keen wit, gentle spirit and great wisdom. RIP Mike!
