Tamara Lynn Taplin

MAY 18, 1969 - APR 5, 2020

Tamara Lynn Taplin, age 50, beloved daughter of Candace and Leonard Taplin, died suddenly April 5th at home. Besides her parents, she leaves behind her brother, Todd Taplin; several aunts, uncles, and cousins; many nieces and nephews; and a great many friends from Florida to Massachusetts. A beautiful redhead with blue eyes and a smile for everyone, Tammy had a zest for life. Her friendly and outgoing personality made her a natural for the variety of positions she held dealing with the public. An avid kayaker with a special fondness for Estero Bay, Tammy was an artist at heart and was never without her camera. Her photos highlighted the natural beauty of the world she loved: the ocean, sunsets, native birds and animals, and her beloved cats. Tammy enjoyed the golden oldies, especially The Beatles. She will be sorely missed by her family and friends. A memorial service celebrating Tammy's life will be held at a future date. Expressions of sympathy may be sent in her name to the Gulf Coast Humane Society, 2010 Arcadia Street, Ft. Myers, Florida 33916.

Dear Todd, my heart hurts for you. Tammy was such a giving and beautiful soul. I will so miss her posts - music, her many completed projects, the funnies, the living life right out loud, the sweet or sarcastic ~ even sometimes, a bit of sorrow ~ always genuine. I envision her surrounded by tremendous tunes, with scenes of birds, bees, flowers and kayaks on the open waters soaking up the fresh air. Or, chilling out, donning Jimmy Choo's ~ rocking a bold outfit complete with a Ferragamo scarf tied at her neck. An amazing being. Go easy on yourself. Hands on your back. Gentle thoughts oxoxJules

I didn't know Tammy well, but she was part of the neighborhood gang in Medfield. I got to know her through Facebook, and loved her sense of humor, and her stories! She was very excited about Tom Brady moving to FL! She's going to be missed!
