Known as "Dotti" to most, my mother was a gentle, loving, caring person who would always put others before herself. She was also a loving grandmother and mother-in-law to my three daughters and wife. We all miss her dearly. She was the kind of neighborhood mom that all my friends knew. She was our Cub Scout troop mother, would come to our school to eat lunch with us occasionally, and was always sure that we ate our "brain food" (eggs) before heading off to school each morning. As a family, we feel so very fortunate to have had many years with her to build enough memories to last a lifetime. Knowing she is now in Heaven with Jesus provides us all with peace and comfort. I love and miss you, Mom. Thank you to everyone who has reached out to our family to share their regrets and stories about my mother. Jeff
