Sweet Cousin Sis, I will miss our middle of the night chats when you filled me with stories and memories of our family. You answered questions I've had for most of my life. I am honored to be your double cousin and grateful beyond words to express. I am looking forward to meeting you in Heaven. Rest well in peace ❤️

Since the moment I joined the family, Eula joked that should I decide to divorce her son she would keep me. She was always so sweet and giggly. She enjoyed all the food I would bring over each visit. She always joked she was only 39. Eula you are very missed and very loved.
