Mary Richardson posted:

I have many happy memories of the times we shared together at Questers meetings and conventions. She was my mentor in the organization and over the course of many years we both held several offices in that group. She was also my personal mentor when I acquired a new family in my second marriage. I remember her saying to me, "now you have a family, Mary". It was obvious to me how important her family was to her. She was always mentioning her sons and particularly her granddaughter. They were so close to her heart. I am thankful I had her friendship for so many years. Sincerely, Mary Newman Richardson 12770 Waterford Circle Apt. 204 Fort Myers, FL 33919
