My Aunt Doris was one of the kindest , sweetest persons I know, to know her was to love her. She often told me how much she loved and appreciated her two boys and Uncle Bert. They were great caretakers, and I do believe that contributed to her longevity. Not many people have that many people so involved and I know they brought much happiness to her.If everyone was as sweet as she was the world would be a better place! She will forever be in our hearts and memory.Love you all always,Delight, Tad and Luke
