I knew Mae for about 25 years...you could say she was my best friend!! She was quite unique a bit wild and crazy!! She was soo much fun to be around when she would get a buzz she would think she was f***ing funny!! She was always busy couldn't sit still... always doing for others!! She had a huge heart and would give you the shirt right if her back if you needed it!! She loved her family with all her heart!! She really did light up a room when she walked in. I'm so glad I have so many wonderful memories of my Mae Mae but they will never be as good as having Mae with us!! I hope she is at Peace now and I hope she knows how much she was loved and missed !! I will never forget my friend... she will live forever in my heart!!! ❤️
