Knowing Joan from first grade at St. Pascal and then through Alvernia HS, I am stunned by her early passing. She was smart as a whip from my earliest memories and we enjoyed her birthday parties at home for many years. I am so sorry for your loss of a beloved wife, friend and solid family treasure. I know she rests in peace and I am praying for good memories to comfort all of you. Janet Borghesi Starr

Joan was a kind, caring woman. She opened her Florida home to me when I was visiting with my BFF, Rachel, and her hubby Steve. She was always a gracious host and knew how to entertain with the best of them! May her lovely memories live on ❤️

Joan and I have been lifetime friends. Shared every milestone, through good times and bad. Gave each other another sister, cousins and friends. So many memories—her always being there to help through every problem; to know what was important to me before I did; to make the smallest event, a long funny story; to be caring and understanding and fun. Part of me has gone with her, and part of her will never leave me. To Tom, Patty, her daughters, cousins, nieces and nephews, my love and support, as we continue to be the family she made us. Steve and I just wanted to say that Joan was the sweetest, kindest person you would ever want to meet. She had a wonderful sense of humor and a compassionate heart. You are most like Christ Jesus when you give to others. She knew how to give from the heart. I knew her and worked with her at Henderson Franklin for many years and she was a delight. Take comfort in knowing that she is now with her Savior and we will see her again. We are looking forward to when we all can be together again. This is our heavenly promise. Praying for you and your family that the Lord may give you the strength you need to cope in the days ahead. God Bless you all, June and Steve Woosley
