Robert F. Lickfeld Jr.

JUL 7, 1930 - MAR 6, 2021

Robert F. Lickfeld Jr. of Cape Coral, Florida passed away peacefully on Saturday, March 6, 2021 with his loving family by his side. He was 90 years old.

Robert was born in Camden, NJ on July 7, 1930 to Beatrice (nee Carels) & Robert Lickfeld Sr. and later lived in Fairview, Hilltop & Elmer NJ. He was the devoted husband to his Loving Wife of 44 years, Doris Lickfeld (nee Cunningham,) who sadly preceded him in passing in 1993.

Robert is survived by his one loving & dedicated daughter Linda and her husband Martin Brady and by one sister, Myrtle Hubbs (Lowell) & one sister in law, Mary Lickfeld. His siblings who predeceased him are Dorothy, Mildred (Jack), Roberta (Joseph), Vernon (Claire) & Milton (Mary).

Bob loved all of his nieces and nephews from both his and his wife's family. He also has one surviving sister in law from his wife's family, Patricia Cunningham (David).

Bob was most fond of his longtime friend Margaret Weiss and her family who treated him like a second Dad/Uncle/Grandfather.

He was in the Army of the United States but received an Honorable Discharge due to having a troubled foot from Polio as a child.

Bob worked at Railway Express Agency for 25 years until it closed.

He then worked at the Charles W. Lewis School as a bus driver, a driver training supervisor & in bus maintenance. He also became the 1st Union President representing the bus drivers.

He was then asked to serve as the Director of Public Works in Gloucester Twp. for a short time serving under Mayor Mullen, and ended his working career with the NJ State Highway Maintenance Division's Berlin Facility.

JUL 7, 1930 - MAR 6, 2021

Bob's #1 hobby was farming. His lifelong dream was fulfilled when he & his wife Doris moved to Elmer where he had his own farm. He was well known for having a garden for many years with fresh vegetables that he loved to share with everyone from the time he was a young man, until he could no longer continue, due to health issues.

He also enjoyed raising chickens for several years and loved sharing their fresh eggs with many family members, friends & neighbors. Bob also raised pigs and goats and a few other animals over the years and enjoyed every minute. When he wasn't tending to his animals or his garden, you would see him riding around the property on his John Deere Tractor.

Bob was a longtime 32nd degree Mason, a Shriner, and was a member of Lodge #120 and later Lodge #160 in Elmer, NJ. He was proud of being a part of the organization and wanted to give back to them what he could. This decision came due to having Polio as a young boy where the doctors at Shriners Hospital in Philadelphia performed surgery on his foot to help him.

For this, he was most grateful all of his life.

His character & wisdom to tell old time stories and to make you laugh with a joke or two will be missed by everyone who knew him. Oh, and the cat noise! We all knew the cat noise.

My sincere sympathy to Linda, Marty and family members. Bob was always most welcoming when I visited him at the farm and he loved giving a short tour visiting the barn and the gardens. He made sure you left with some veggies and a dozen eggs to enjoy later at home. Kudos to Linda and Marty for their loving care of Bob in his latter years. May he Rest In Peace. Pat
