Michael R. Scarry

JUN 22, 1947 - MAR 13, 2021

When talking about the legacy of Michael Roscoe Scarry, many who knew him point to the impact of his steadiness, his kindness, and his loyalty. For those of us lucky enough to call Mike family, his consistency in showing up for each of us in our big life moments and in the details and days in between was no small thing. He loved us well.

Affectionately known as “Big Time” to his brothers, they remark that Mike lived such a complete life, and had a rare likeability. It was not uncommon for Mike to receive calls from neighbors and family members alike: certain that Mike could meet any moment with wisdom and with the solution you needed. He met those calls as he met the rest of life: with patience, with a dedication to doing the right thing, with a willingness to serve, and with humility and optimism. We who knew him are better for it.

Mike, a resident of Ft. Myers, Florida, died at 73 on Saturday, March 13, 2021. A complete life is exactly right: Mike was a Veteran of the US Army and was a long time employee of Pratt & Whitney in computer technology. Mike was also a multiple time Champion of the Scarry Open.

He is survived by his significant other Sharon May; by his siblings, brother Tom and wife Laurel; brother Jim and wife Ann; sisters in law Bobbie Scarry, and Jennifer Scarry; his nieces and nephews, Michael O and wife Shilah; Brian and wife Sarah; Bradley, K, and Kyle; and his great nieces and nephews, Ireland, Thomas and Ellie. He is preceded in death by his parents, Mo and Libby, and his siblings, Sally Beth, Trish, Magaroo, John, and Dennis.

We will miss him. Best big brother ever.

A memorial Mass will be conducted at 11:00 AM on Friday, March 26, 2021 at the Church of the Resurrection of our Lord, 8121 Cypress Lake Dr. Ft Myers

Judy and I were so sorry to hear of Mike's passing, we only found out today. I'm very sorry that I missed his service he was truly a great gentleman, and wonderful human. It was an honor, and privilege for us to have known him. He has now joined the other family members who proceeded him, and we take great comfort in knowing he will now live in joy and bliss for eternity.

I am saddened to hear of Mike's passing, but feel fortunate to have known him through our employment at P&W. He befriended me particularly when he learned I was a lifelong Cleveland Browns fan, and we talked quite a bit about his Dad, whom he was so proud of. Even after I left Florida, I looked forward to seeing Mike when I visited South Florida at a P&W alumni reunion. It was rare for him to miss a social gathering. I am disappointed that my attempts to contact Mike over the last couple of years were not successful as I was hoping to continue to relive those memories. Thanks Mike, for being a friend.- Shawn Moore
