I met this wonderful man during a Veterans service at Temple. We sat together that service 3 years ago and continued to do so every service when we both attended. It was an instant friendship. He was such a good, funny man with a dedication to his faith. I respected him a great deal. I will miss his company, his candy treats and just knowing he was filling a space on this planet of ours. I shall miss our great discussions. I know Bruce will miss calling you and just talking as he did even after dealing with his health issues. You are inspiration to all of us. Through thick and thin it was always a positive discussion..

We made alot of memories together. We did alot of bantering back and forth it was just what we did it was all good. We loved thrift store shopping, hunting for what we called treasures! Loved shopping for our kitchen gadgets can never have enough of those! The jokes we told, the breakfasts we shared at Marti's, the ice cream we shared at Sun Harvest, the music we listened to, the walks we took, the cooking we did like the rack of lamb we were so proud of! These are just a few of the memories we made!!! Howard until we meet again may God bless you my friend!

Memories only last if you share them
