It is the least I could do to express the extraordinary respect I had for the man.I am proud to say during my years living in Florida as a young man in his twenties Your father was one of my good friends regardless of age difference.If you were a good person and intelligent Your father had no problem showing respect.As I stated before the world is a lesser place without such a intelligent and humorous man.He always had a joke for me!

Oly, was one of the most amazing people I have ever met in my life. He extended his hand in friendship to a young man and opened many doors for me. He showed me his beautiful home in Honduras and introduced me to his Family. Theresa my sincerest condolences and my heart hangs heavy knowing the world is a lessor place without oly in it. I am TrueType devastated to find out of his passing. If I can do Anything to help please do not hesitate to ask. You may remember me he called me Robby and was his realtor for several years. I no longer practice and was looking him up because I told many a story with oly in it. my email is Abadierobert@gmail.com as I said if I can help in any way I owe That to oly.

Sending all of our love and condolences to Jasmine and Teresa Boenke, who were our neighbors with Ollie on Danah Court in Fort Myers, FI and to Ollie's children and family. He was a wonderful father to his children, a very hardworking business man and a loyal, trustworthy friend to us next-door. May he rest in peace and his family find comfort in all of the great memories.
