You are Near, Even if We Don't See You. You are With Us, Even if You are Far Away. You are in Our Hearts and Thoughts and Life to Stay!! You are Always Our Family or Friend. You are Not Forgotten Nor Will Ever Be. As long As Our Life and Memories Will Last, Your Soul Will Live On. We Miss You Now, Our Hearts are Sore, As Time Goes By, We'll Miss You Even More. Your Kind Smile, Your Gentle Face, Will Always Leave us with a Vacant Place. Those of Us Who Look Up Above Will Someday Get to Be with You Again and Fill That Vacant Space. Beverly Biggar and Family

Adam was a great friend through my school years. He loved old country music and cruising around town or the woods with friends. I will always remember his smile and laugh. Praying for those he leaves behind and his precious children. There's no doubt he must have been a great daddy.

I didn't know Adam too well but he was a pretty cool guy whenever I would see him. There was one thing I did know for sure he was a great father to his children and a loving husband to Jojo. May he rest in peace.
