My baby brother Jared, life is not at all the same without you! As the months go by, there is a constant hurt in my heart that I can't seem to kick. Nothing and I mean NOTHING has hurt my heart, soul, or mind like this. Things are getting real crazy in Israel, hopefully the Rapture will be very soon, I couldn't be more ready!!! I love you Jared ❤️😭

I love and miss you endlessly Jared. My baby brother, my first child, my little buddy, my friend, my confidant, could always depend on you. I'm not sure how I can make it through this life here without you. I was supposed to go before you! This is the worst experience of my life. I'll fight everyday till Justice prevails for you kid! I love you, I got you, and I know the Lord is with you!

Jared, I would do anything to just hug you, and tell you I love you one more time. I'm so devastated, I'm stuck in a rut I can't climb out of. I'm completely changed forever, in the blink of an eye. Praise God that HE gave me a sign while you were passing. Gives me goosebumps to think about it! I know you are in Heaven, God confirmed that the morning I was running listening to my hard rock music. That morning God touched me, or the both of you did, in some way, and I stopped running for a few seconds to find our song "The Blessing". I ran the entire time listening for 11 minutes to the long version. That moment in my life was so special NO ONE can ever take that experience or memory from me. I was there when you were born, and there when your soul went to be with the Lord. God knew, actually you both did, that I needed that! Obviously I would figure out specific times, your time of death, autopsy, ect. We were together when you were passing, I just didn't know it at the time. Thank you God for being so faithful to me, and giving me something to look forward too. God is real, and I pray and hope that everyone seeks him, and believes he died on the cross for our sins! Please everyone get right with our Lord TODAY!! I'm looking forward to the day when the Lord returns, and his followers get caught up in the clouds! What a glorious day that will be!!! God bless all, hug and love your loved ones, make peace with people and your past. I love you baby boy my Jare Jare! I'll be seeing you again, hopefully not for a while, but I'll see you up there!! I know you and Mickey are running wild having so much fun together, in complete bliss. I bet Grampa and everyone else was so happy to see you arrive. I can't imagine what it's like to worship the Lord in such a magical way. You deserve to be in peace, in Heaven where there is no evil or unrighteous people preying on the weak. You are right where you belong, the Lord doesn't make a single mistake! We will ALL face God, I know he knew you and welcomed you through the gates of Heaven, as you were so faithful and a huge believer in Jesus. People need to get right with Him, you don't want to be denied!! I miss and love you, I'm just know your gonna call or text me. I really wish this was a nightmare, and not my reality. There is a reason for everything, I can't wait to meet the Lord, and to find out everything that never made sense. I'm imagining this glorious day, I feel like I can't wait for it to happen! Love you bunches brother 🥰

My baby brother how I miss and love you so. This year has been complete empty without you here. Your absence from the family hurts deeply, a horrific torture, I just have no words to explain it. I continue to pray for you, the family, and Tracy's family. I know you are safe and blessed to be with God. We have your ashes, but your soul is with Him. I miss you daily, there is always something that reminds me of you. I'm so empty inside, not sure how Mom and I have survived this year. Tomorrow we will celebrate you, your life, and your new journey! You began your spiritual life a year ago, and I hope it's amazing! If anyone deserves to be free and happy it's definitely you! Your heart was big, your love was endless, you didn't deserve this type of ending. Watch out for us down here. The struggle and fight is tough, but with Him we are gonna make it through. I was almost 10 years old when you came into this world. I never ever imagined you would go before me. You are like my kid, you know that, everyone knows that. I'm not sure if I'll ever heal, but I pray for mercy constantly. I can't believe I'm actually writing this, you should be here, this can't be happening! I will love you Jared, until my last breath.
