Many good memories of the 1958 Thunderbird and the song wipe out would be on the radio as he would drive on the back streets. Teased him a lot and would sing Norman oahah Norman my Love. He went to a Beatles concert in Cincinnati and I waited in the car but could here the concert. Camping out in the yard and in the morning he would say everybody out of the pool! Always looked forward to seeing him in the summer. Long time ago, difficult times, good times, prayers.Charles R. Coffey
