Hello Carol...well, it has been sometime since we have been in one an others company. I am so sad to hear of your demise. If what I have learned in the past...you will now be with Florence and your dad! Amid your brother and others that have gone on before you...they will be waiting for you and embracing you with love! You are truly missed and loved by the siblings left behind this I know for sure!!What I know is that you lived your life and that is all anyone of us can do. Rest in peace my East side friend.
