Carolyn Santoro posted:

Buffy and Pop and I had a lot of years together. We lived together in the same house after Philip died. She helped Pop and I by sharing all her happy memories with us. She was a strong lady. I know we helped her too. We considered her the daughter we never had. I know pop and Phil were at heavens doors to meet you. You are at peace now. No more pain. Give pop and Phil a great big hug and kiss from me and Alex and Billy. You will all be in our hearts forever until we meet again Rest in peace my beautiful angel Buffy.
