Sincere sympathy to Vicky, Margaret, Betty and Pat. Your beloved dad was so dear to me. Our phone visits the last several years drew us closer and closer. Not only was he my uncle, he became my true supportive friend. His positive spirit and encouraging manner have been a comfort to me. I miss him so much but am thankful the Lord has released him from the pain of this world. May God himself draw very near to you now as you grieve the loss of your precious dad. Dewey and I Love you.
